JULIETTE GIRL SCOUT FUND FREQUENTLY ASKED QUESTIONS

What is the Juliette Girl Scout Fund?

The Juliette Girl Scout Fund is specifically designed to support the Girl Scouting experience of Juliette Girl Scouts, much the same way a troop treasury benefits a registered troop.

How is the fund financed?

The Juliette Girl Scout Fund is supported through the "troop proceeds" portion of product sales generated by individually registered Girl Scouts.

Who can apply to the fund?

This fund is available to all registered Juliette Girl Scouts within the Glowing Embers Girl Scout Council.

What can the fund be used for?

Requests may be made for any of the following purposes:

- Council-sponsored activities/programs
- Council store purchases

How can I apply to the fund?

Juliette Girl Scouts may apply to the fund by completing a Juliette Girl Scout Fund Application.

When can I apply to the fund?

Applications for amounts under \$25 can be submitted at any time. Applications for amounts over \$25.00 are accepted during the months of October and March

How are awards determined?

Awards are based solely on the level of funds available, and the number of applications received.

The only restrictions are:

- 1) That the Girl Scouts be an individually registered member of the Glowing Embers Girl Scout Council.
- 2) That funding be requested for an authorized Girl Scout activity, or a Council store purchase.

When are awarded funds available?

Award notifications will be made during the first week of the month following the application period (November and April)

What if the Juliette Girl Scout is placed in a troop? Can she still access those funds?

If a Juliette Girl Scout joins a troop in her area, she may still access the Juliette Enrichment Fund for six months following the date she joined the troop. This option is only available if the Juliette Girl Scout participated in either the fall product or cookie sale programs. Decisions regarding appropriate disbursement of funds will be made by GSGEC staff.
